MEDIA RELEASE

LOWER MURRAY DARLING CMA “PLAN 2 PROFIT” for the FUTURE Registrations now open!

Farm business administrators, bookkeepers and farmers in the Lower Murray Darling Catchment have an opportunity to undertake accredited training in an easy training and planning program that will improve the future profitability of their property.

This new and unique program brings successful “corporate thinking” to the business of farming and will equip attendees with the skills to maximise their farms’ financial success and develop strategies to improve the performance of your farm business.

The training course is limited to 6 farm businesses (or 12 people), with up to 2 people from each business attending.

This 2.5 day training (including a half day on Microsoft Excel), using the “*Plan 2 Profit*” program has been scheduled to be held at the LMD CMA Buronga Office for Monday Tuesday and Wednesday 4, 5 and 6 May 2009 and places are still available.

The financial cost of the training will be fully subsidised by the Lower Murray Darling CMA as part of their charter to increase the skill levels of all farmers in the catchment. More information about P2P can be found at <http://www.plantoprofit.biz/>

At the end of the training, the Plan 2 Profit software is yours to keep.

To reserve places for you and your future farm decision-makers, register with Susan Walla by phoning 03 5021 9460 or via email on susan.walla@cma.nsw.gov.au
